

# Targeting General Capabilities

## Class Set ADOPTION OFFER

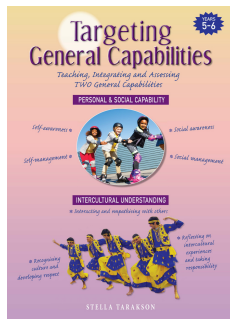

The seven General Capabilities are one dimension of the Australian Curriculum and are taught through the content of the Learning Areas. They involve knowledge, skills, behaviour and dispositions.

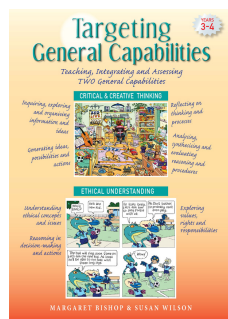

- These books teach
  - **Personal & Social Capability**
    - Self-awareness / Self-management / Social awareness / Social management
  - **Intercultural Understanding**
    - Recognising culture and developing respect / Interacting and empathising with others / Reflecting on intercultural experiences and taking responsibility
  - **Critical & Creative Thinking**
    - Inquiring, exploring and organising information and ideas / Generating ideas, possibilities and actions / Reflecting on thinking and processes / Analysing, synthesising and evaluating reasoning and procedures
  - **Ethical Understanding**
    - Understanding ethical concepts and issues / Reasoning in decision-making and actions / Exploring values, rights and responsibilities.
- Have a wide range of activities that can be used for specific curriculum areas.
- Support the integration of the general capabilities into all areas of the curriculum.
- Allow for assessment and reporting on the 4 general capabilities which are often tricky to assess
- Offer problem solving activities that require students to be critical in their thinking and to be reflective in their comments and answers.
